

AFRICAN FUTURES

Project Launch Meeting

Monday, 21 November 2016

Rond Point Schuman 6, 1040 Brussels
Beethoven meeting room,

The launch meeting of the EUISS research project African Futures brings together experts in the partner organisations invited to participate in the project and to give their feedback and advice to the core project team throughout the research process.

The half-day meeting will introduce the project background, purpose and activities to the participants and discuss how to proceed with the planned activities.

The day's programme is as follows:

- | | |
|-------------|---|
| 12:00-12:15 | Registration, welcome coffee |
| 12:15-12:30 | Welcome remarks – Introduction to the meeting
Antonio Missiroli , EUISS |
| 12:30-13:00 | Presentation of the project concept note and research plan
Valérie Arnould , EUISS and the EGMONT Institute |
| 13:00-14:30 | Questions and discussion on the next steps (including a light sandwich lunch) |
